Provided that, in the instance of a horse that competes in a race at Flemington on 2021 Victoria Derby Day, exclusion from Declaration of Final Acceptance for this race will apply only if RV Stewards accept an RV veterinary surgeon's report that such horse cannot reasonably be expected to be fit to compete in the Lexus Melbourne Cup three days hence.

RIDER NOTIFICATION

By 4.30 PM (Melbourne Time) SATURDAY 30 OCTOBER

| |
|------------------|
| PENALTIES |
|------------------|

The winner, after declaration of weights, of an internationally recognised Listed, Group or Graded flat race:

- If a handicap race, only if it was run over a distance of 1600 metres or further; OR
- If a non-handicap race, only if it was run over a distance of 2300 metres or further,

is to carry such additional weight (if any) for each win as the Handicapper shall determine.

Any determination by the Handicapper in respect to additional weight (if any) to be carried, shall not be made prior to the running of the race in which the winner became liable for a penalty.

Provided that, *in lieu* of re-handicapping, should such winner be a horse on the minimum handicap weight (for its age group) the Handicapper may, at his discretion, instead amend the originally appended weight figure against the benchmark weight downwards, to a figure that is not less than or equal to the appended weight figure for a horse of the same age and gender handicapped above the advertised minimum weight (for its age group).

Any such amendments referred to above shall not affect the weight to be carried in the race. In these circumstances, any extra weight to be imposed on any horse, or *in lieu* of re-handicapping, any amendment to the appended weight figure against the benchmark weight for a horse, shall be declared by the Handicapper not later than five (5) working days after such win.

BALLOTING CONDITIONS

(1) The Directors of VRC, may in their absolute discretion exclude any horse or horses from the race, whether the safety limit of 24 horses at final acceptance time shall be reached or not, and if such exclusion occurs, and more than 24 final acceptors remain, balloting of surplus horses will continue in the manner set out in clauses (2) and (3) below to its conclusion. For the avoidance of doubt, if the Directors exercise their discretion to exclude a horse from the race, each horse below the excluded horse will move up one position in the ballot order. The Directors do not have the discretion to elect a replacement for the excluded horse, as the replacement will be the next horse in the ballot order.

The winner of the following, if any should be a nomination and a first, second, third, fourth and final acceptor for the 2021 Lexus Melbourne Cup, shall be exempt from any ballot on this race:
